The great moment has come. **No Halloween costumes, no problem!** Coming to that yellow-and-white ghost app near you.

Go with SYSTEM!

Shell Only | **Full Version** Who knows, **SYSTEM** is always the best group to work at.

wanna root?

shell only | full version our **root** power now extends to the reach of Snapchatters!

There are 2 types of filters: "Shell only" and "Full Version". The full version transforms your neck and hands to blend with the glossy material of the big spherical head, which we ourselves call it as ⬚ **The Shell!** "Shell only" now has just made sense, and we're recommending you to use the full version only if you're wearing a long sleeve like a hoodie.

Here's what the full version looks like!

Hair wig filters are not included for technical reasons. Oh, if you wanna get that pink shell (used by Nix) can you help me decide the (macOS-ey) name of the pink shell?
